WOMEN'S WOES.

Mayville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and head and work with aching pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

BIG GAS WELL.

An 8,000,000 gas well was struck by the Columbus Gas and Fuel Company on the farm of Silas Ogle in Laurel Township, Hocking county, O., at a depth of 2,480 feet, which is about 600 feet less than the depth at which oil is found in the new Straltaville field. The well is one of the biggest producers yet found in an Ohio field.

Mason Circuit Court.

In the case of W. C. Townsend against M. R. Gilmore's Administrator, the Court defined that the mortgages heretofore executed by M. R. Gilmore to the defendants, C. G. White, George L. Cox, J. M. Hunt and E. A. Robinson, were, and are unlawful preferences, and are adjudged to be null and void. It was further adjudged that the creditors of the said M. R. Gilmore shall participate, share and share alike, after the payment of all costs and expenses are satisfied.

In the case of Henry Gallenstein against the Cincinnati Gas Transportation Company, the former was awarded \$1,250 damages, with 6% interest from December 21st.

The action of James Neal against William Clark's Administrators is now being tried on its merits.

The Grand Jury returned the following indictments—

Thomas Coleman, unlawfully and feloniously detaining a woman.

W. R. Davenport, obtaining money under false pretenses.

Grover Moore, housebreaking.

The following were indicted on petit larceny charges—William Allen, Andy Craig, Bertha Carroll, Jessie Williams, J. C. Jones, Samuel Marvin, Dick Platt, Frank Price, Mary Pleasant, Wiley Wilburn and George Smith.

The Grand Jury submitted their report, in which they stated that they found the Public Buildings in excellent condition and in good order, and on the contrary the buildings of the County Infirmary were in bad shape and needed repairing. They also reported having returned twenty-eight true bills of indictments at this term of Court. The report was received and the jury discharged, with thanks from the Court for diligence and duty faithfully performed.

There were twenty-eight indictments found at this term.

Court adjourned until 9 o'clock this morning.

SUDDEN DEATH

Young Husband Died Suddenly While Holding His Wife's Hand

Thornton Ammerman died this morning at 4:30 o'clock at his home in the Hill House after a few hours illness with heart trouble, aged 28.

He was in apparent good health last evening and with his young wife was out preparing for Christmas. On returning home he complained of a slight ill feeling, but nothing serious was thought.

Mrs. Ammerman was awakened this morning by the struggles of her husband in his vain attempt to get his breath, and immediately realizing the seriousness of his condition she called in Mr. Rosser, who occupies rooms in the same building, and he then phoned for her father, Mr. Pearl Blythe, but before either Dr. Brand or Mr. Blythe arrived he had passed away. When he died he was holding his wife's hand.

Mr. Ammerman was a magazine agent and had served in the Spanish American War and had been a resident of this city for over a year.

October 10th, 1910, he was married to Miss Pearl May Blythe of this city. The loss of his young wife has the sympathy of her many friends in her bereavement and great sorrow.

In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga.

"I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings.

"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

Take CARDUI

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out.

Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.

In this way your troubles, whatever they are, will gradually grow smaller instead of larger—they will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health.

A WILD GOOSE CHASE

Yesterday afternoon about 3:30 an alarm was sent into headquarters from District No. 38, and the fire located as the J. H. Dodson house, all of which was true, yet misleading. Fire Chief Hite naturally supposed the danger zone was at the residence of Mr. J. H. Dodson in West Fourth street, and sent the "Kinney Mac" at a whirlwind pace in that direction, arriving on time and ready for business. His discomfiture was apparent when he found that the threatened danger was in Piester avenue, back at the jail, one street North of the position he had taken. He sent the machine on the back-track in a hurry and was soon on the spot and made an examination of the premises. The fire was out, however, having been extinguished with a few buckets of water. The house belongs to Mr. Joseph H. Dodson and is occupied by John Morton, colored. A defective flue set fire to the roof. The damage was very slight.

COSTLY IMPROVEMENTS

Double-Tracking C. and O. Costs Thirty Thousand Per Mile

President George W. Stevens declares that at present the C. and O. is, without a doubt, handling more traffic upon a single track than any other railroad in the country.

The work of double-tracking the Cincinnati Division will be continued all winter, and within a year the road will have a double-track road between Cincinnati and Newport News, Va. Of the 125 miles of double track contracted for by the road 68 miles have been completed, leaving 57 miles to be finished this winter and next summer. Four tunnels, including the one at Big Bend, W. Va., just east of the Virginia line, upon which work has been in progress for seven years, will also be completed.

The work of double-tracking on the Cincinnati Division to the present time has cost the C. and O. \$30,000 per mile, or a total of \$2,040,000, which, combined with the cost of double-tracking the 57 miles that remain, will bring the total cost up to the \$3,750,000 mark.

The machine shops of the C. and O. will remain at Covington and will not be removed to Silver Grove, above Newport, as is the current impression. Additions to the Covington machine shops will be erected on land that is now owned by the company. Yards will be located at Silver Grove, together with a coaling station and a repair shop, where "trucking repairs" can be made. Trains for employees, which are commonly designated as "hobo specials," will be run morning and night for the convenience of the workers.

The Ohio river is frozen over for twelve miles above Wheeling and thence is piled up 10 feet high in some places.

The annual session of the National Association of Masters, Mates and Pilots will be held in Washington on January 23, 1911.

NAVIGATION SUSPENDED

Owing to the heavy ice and low stage of water the boats have gone to the bank. The Courier made her last trip yesterday. The ice barrier at the foot of Limestone street is sheltering the Ohio River Survey Headquarter Boat No. 3, Katie Mae, Emerald and a number of smaller craft. Unless there is a decided change in the weather the indications savor of a closed river.

D. HECHINGER & CO.
There Are So Many Practical and Useful Remembrances on Our Tables

That it is little wonder our store was thronged all last week and doubtless will be more so this week. This is a MAN'S and BOY'S STORE and the proper place to buy men's and boys' gifts. We will just mention a few things that you must come quickly to secure:

GENTLEMEN'S SMOKING JACKETS OR HOUSE COATS

About thirty-five Gentlemen's Smoking Jackets or House Coats that sold from \$5 to \$10, we will sell during this week, or rather as long as they will last, for \$3.75.

BATH ROBES

About the same number of Bath Robes that sold from \$5 to \$12, to close them out we will sell at \$4.75.

MEN'S AND BOYS' GLOVES

Another big lot of those imitation fur Men's and Boys' Gloves, of which we have sold hundreds within the last few days.

SUITS AND OVERCOATS

During this week we will make such reductions on all of our Boys' and Men's Suits and Overcoats that will greatly assist you in making that kind of a Christmas present.

Be sure and call for your tickets on our Victrola. It will positively be given away January 10th.

D. HECHINGER & CO. MAYSVILLE'S CLOTHING and SHOE HOUSE.

A meeting of the Northern and Southern M. E. Churches was held at Lexington this week for the purpose of discussing a closer union of the two branches of these denominations. Rev. W. E. Arnold, Presiding Elder of the Maysville District, was in attendance.

Baggy Robes.
Carrage Heaters and Coat.
Sewing Machines.—We have sold quite a number for Christmas Eve delivery. They have a life-time guarantee, and every one that buys one is tickled to death with the comfort of it. You can't hear it run. \$25 is the highest priced one we have. Just think of it.
Saddles for men and boys. We also have a few Ladies' Riding Saddles. A saddle makes a most acceptable gift.
Some beautiful Carving Sets. Stop worrying about what to buy and come in.
Ingersoll Watches.—Yankee, Junior and Midget. They keep time or we will take them back.
Gloves.—All kinds. Some handsome Dress and Driving Gloves.
Pocket Knives.—Ever see a boy that didn't want a pocket knife?
Safety Razors and Shaving Soap.
Rifle for the boy or Shotgun for the man.
Leggings.
Storm Fronts.
And if you don't mind the amount, give them a nice Baggy or Runabout. The price will be right, for we need the coin.
Last, but not least, give that poor old patient horse a good, warm Blanket.
Yours for "A Merry Christmas."

The Bradley Mufflers and Coat Sweaters are considered the best values in the market. The Hechinger people are the agents for them.

In the Fleming Circuit Court James Freeman has filed suit for \$5,000 damages against Foster and Cora Freeman, alleging that the defendants alienated his wife's affections, causing her to leave him.

The Rev. G. W. Latham of Mayfield, the oldest Kentucky Minister in the Methodist Church, South, probably has a record that no other Minister in the State can equal. He is 87 years old and has been preaching for sixty-nine years. He has received into the Church 2,655 members, has preached 1,256 funerals and married 1,807 couples.

The Paris Democrat pays the following compliment to Uncle Sam's new building at that place: "It was expected that the new Government Building in this city would be dedicated this month, but now it looks as if it would not be finished before March. The Federal Government has spent about \$60,000 on the structure, and hasn't much to show for this expenditure of the people's money. It is about as common looking as one could imagine, resembling a tobacco barn or stable more than a Postoffice Building."

CHRISTMAS SERVICE

A special Christmas service will be held at the Christian Church Sunday evening under the direction of the splendid Choir of this Church. There will be special music, readings, etc., and a cordial invitation is extended to every one to be present.

PROOF THAT PROVES

If one person more than another should know the value of medicine, it is the retail druggist.

Therefore when ten thousand retail druggists of the United States recommend Vinol, the delicious cod liver and Iron tonic, without oil, as the best strengthening tonic known, and are willing to return their customers' money in every case where it fails to give satisfaction, there can be no room for doubt. Among others, one of the most reliable druggists of Lynn, Mass., Mr. Warren Toppan, says: "From personal experience I know what Vinol will do. I had a chronic cold all winter and was so weak I could hardly get about. Nothing seemed to help me until I tried Vinol—the change was magic—and what surprised me most, Vinol not only cured the cold, but built me up and cured me of a severe stomach trouble that had bothered me for twenty years. Vinol is certainly a wonderful medicine." (We guarantee this testimonial to be genuine.)

We ask every run-down, nervous, debilitated, aged or weak person or any person suffering from chronic coughs and colds, to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. John C. Peacor, Druggist, Maysville, Ky.

The readers of this paper will be pleased to learn that there is at least one more disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

\$2,000,000 Fire in Cincinnati

The shoe manufacturing district on North Ninth street, Cincinnati, was swept by a terrible fire, which started at 2:30 yesterday morning and steadily burned building after building until 7:30 a. m. The loss is reported at \$2,000,000 and over 1,000 people are thrown out of work in midwinter. Three persons lost their lives, including one fireman, and a score or more were injured. Every fireman in the city department and every piece of apparatus that was fit for service spent five hours in the most desperate and apparently hopeless battle with the flames that has ever been waged in that city. There was a panic in the tenements and 500 policemen were on the scene. After this enormous loss of property and human life steps are to be taken at once to give Cincinnati a "high pressure water service."
